"Our historic venue has been home to magnificent celebrations for almost 300 years."

MAKING THE VOW OF A LIFETIME

From grand ceremonies to intimate gatherings, exchange your vows surrounded by your loved ones in one of our four licensed rooms nestled within Armoury House and the Prince Consort Rooms.

Catering for up to 350 guests, each room is steeped with history and charm, and is exclusively yours for the whole day and night. For reception drinks and long summer nights, we can also offer outdoor receptions within the grounds of the gardens.

With four beautiful rooms licenced for weddings and civil partnerships, we are on hand to offer endless flexibility, experience, and guidance, helping with your dream day from the very first moment.

THE LONG ROOM

Situated within Armoury House with elegant oak-panelling, high ceilings and open fireplace, make your commitment to each other within the stunning backdrop of the Long Room. Bright and airy, walk the aisle alongside views of the Artillery Garden, with plenty of light for those all-important photos, before the room is transformed for your wedding breakfast with your family and friends.

You can dance the night away as the evening sets in or move downstairs to one of the larger Prince Consort Rooms to celebrate. Planning a summer wedding? Why not opt to host your reception drinks in the beautiful surroundings of the Artillery Garden, with options available for outdoor dining and marquees.

QUEEN'S AND ANTE ROOMS

Nestled on the ground floor, the Queen's and Ante Rooms offer two flexible spaces for smaller and more bespoke gatherings. With plenty of natural light and period features, both rooms can be hired individually or as a pair, lending themselves perfectly for intimate celebration and micro-weddings.

Host your wedding breakfast in the same space, or if you have more guests joining the party, larger dining spaces will be on hand for dinner and dancing.

THE PRINCE CONSORT ROOMS

If you want to put your own stamp on things, look no further than the Prince's Consort Rooms. Formerly a Regiments Drill Hall, the space has been converted into a beautiful, contemporary room, offering a blank canvas which can be adapted to any need and décor.

The largest room at The HAC, the space comes with its own courtyard entrance to make your grand arrival, separate registration area, as well as adjoining summer terrace for reception drinks.

After you exchange your vows, our team can transform the space into an exquisite dining or buffet area, all while you and your guests enjoy drinks and pictures in the Artillery Garden.

ARTILLERY GARDEN

Step outside on your big day to the stunning five-acre Artillery Garden. Framing the HAC, the gardens are the picture-perfect setting for a Champagne and canapes reception on the lawn, as well as offering a flawless backdrop for your wedding photographs that you will not get elsewhere in London.

With options for outdoor marquees and catering, the gardens lend themselves perfectly for outdoor receptions and create the most memorable setting for your special day celebrations.

WEDDING BREAKFASTS

Your wedding breakfast will be in good hands, with all catering provided by one of the UK's oldest event caterers, Searcys. First established in 1847 by Victorian entrepreneur and the Duke of Northumberland's confectioner John Searcy, Searcys has been at the heart of wedding celebrations for over 170 years, focused on delivering outstanding menus and utilising the best in season produce.

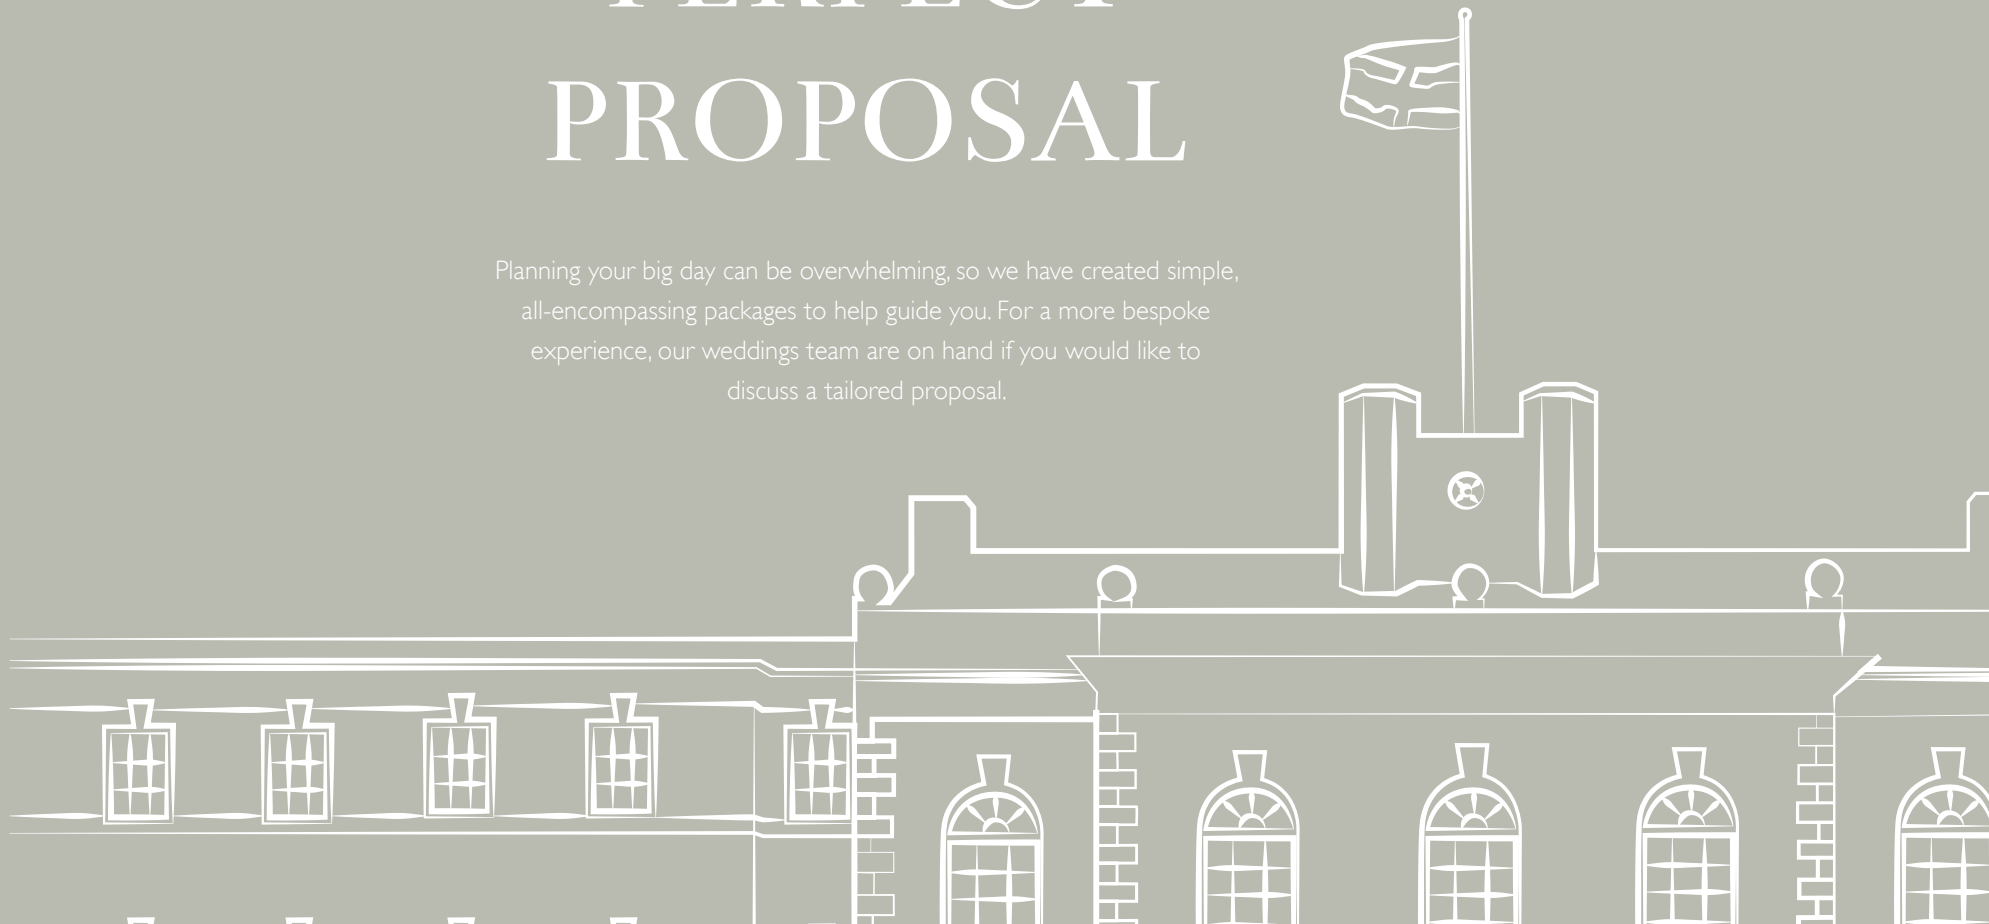

Our signature wedding menus can be tailored to suit your requirements, running from canapés and bar snacks to buffets and sit-down dinners. Using seasonal and local ingredients, Searcys specialises in refined British classics, with menus to suit a range of dietary needs. Accompanying every menu is an extensive selection of wines and Champagnes, alongside arrival and toast drinks for your guests to enjoy.

Every wedding is unique and the Searcys team is ready and waiting to help create your dream celebration. We also reserve a handful of dates throughout the year, should you prefer to celebrate your special day with The HAC and Searcys.
